PRODUCT DESCRIPTION

With *Adventures by Disney*, there's no need for exhaustive trip planning, we'll handle all of that for you. So you're able to focus on what really matters: being together.

Leading the way you'll have two Disney-trained Adventure Guides, giving you exclusive access and VIP treatment throughout your vacation.

We've planned active, immersive experiences that everyone in your family will love. Like river rafting down the Urubamba River in Peru, taking archery lessons in the English Country-side, or taking an unforgettable elephant ride as you explore Cambodia's spectacular Angkor Wat temple.

So whether you choose our destinations in the Americas, Europe, Africa, Asia or Australia, Adventures by Disney is ready to take you there.

So let's go, and Adventure Together.

On an *Adventures by Disney*® trip you're a traveler and an adventurer, not a tourist. You and your family become active participants in incredible stories, experiences and cultures through immersive activities only Disney can bring you.

Adventures by Disney trips include...

Hassle-Free Travel experiences, including meet and greets at the airport, transportation within the trip, luggage services, spectacular dining and truly unique hotels that bring you closer to the destinations you visit, and concierge services to help you plan your free time. With practically all of the details taken care of, you won't have to worry about a thing!

Active Experiences that everyone in the family will enjoy! Junior Adventurers can experience an art detective game in the Louvre Museum or stomp grapes while adults get a "taste" of winemaking history, or as a family, how about a leisurely bike ride amongst breathtaking scenery!

Two Adventure Guides + Local Experts, some of the greatest storytellers in the world. No matter where you go or what you do, our Adventure Guides are there to share their knowledge, insights and passion for the places we visit.

Plus, you will also interact with local expert guides along the way too!

VIP Treatment & Admissions including private events and privately guided tours, backstage access, entertainment and special performances, bypass the lines at popular museums and attractions, and all admission fees are included to national and regional parks as applicable.

Magical Moments and Experiences That Only Disney Could Create! Take an adventure off the beaten path to places you wouldn't find on your own while we introduce you to the locals where you will experience such things as:

- Living just like the kings and queens of yore with a stay in Dromoland Castle.
- Trying your hand at the age-old Greek tradition of cheese making with a local shepherd.
- Learning Tai Chi from a local master with the gum drop mountains as a backdrop!
- Private dining among priceless works of art inside the famed Louvre Museum.

Greece National Tourism Organization

PRODUCT DESCRIPTION

Greece is for Lovers

Beauty in Greece is exquisite; timeless; unspoiled. It was in this sacred landscape that love was born. Greece is the birthplace of the winged God Eros, the son of Aphrodite; the God that with his quiver and arrows inspired artists and writers over the centuries to praise the virtues of love. Whether you are looking for an ideal honeymoon destination or just a romantic escape, the beauty and diversity of the Greek landscape forms the most romantic backdrop to celebrate your love.

Greece is for Foodies

The true experience of Greek gastronomy satisfies the most demanding palates.

Original ingredients and countless luscious combinations make Greek cuisine unique the world over with dishes that echo the beauty of the country itself. Salty like the Aegean Sea or mellow like the Santorini sunset, warm like the morning Cycladic sun or cold like the frosty rivers of Epirus, velvety like the clouds of the morning Attica sky or intense like the gorges in Macedonia, crisp like the autumn rain on the Ionian Islands or invigorating like the spring breeze of Crete, imposing and vociferous like the Samothrace waves.

Full of changes and pleasant surprises, Greek gastronomy wins a place at the top of contemporary world gastronomies. Greek diet is famous worldwide; it is not only ambrosial but also very healthy, recommended by most expert top dietitians. As it has been closely linked with the long history of the country, Greek cuisine has gone through a lengthy and perfecting process of trial and error. Today it masterly combines tradition with modern concepts.

Greece is for Wellness

Well-being does not concern physical health only. It is a general feeling, an internal ray of health, force and beauty. It is an on-going process.

Apart from the rare landscapes and special natural beauties, nature also endowed Greece with springs with important therapeutic properties. Spas are part of the country's national wealth, while their therapeutic properties were already known in ancient times.

Natural therapeutic springs are found in many different places in Greece, and the water from specific springs differs from ordinary water owing either to its high temperature, or to the presence of rare active components.

With one of the best climates in the world, with a unique variety of nature, as well as one of the healthiest diets in the world, Greece is the ideal proposal for psychological and physical health and the search for well-being!

Whilst in the city, explore Melbourne's famous laneways and arcades and uncover some of the city's best cafes, restaurants, bars and boutiques or discover Aboriginal culture with a guided tour through the Royal Botanic Gardens.

On Melbourne's doorstep you'll discover a microcosm of Australia, from wildlife to vineyards, and beaches to national parks. For wine connoisseurs, the Yarra Valley and Mornington Peninsula are just an hour's drive from Melbourne and where you can sample some of Australia's top Pinot Noir and Chardonnay. Or take to the road, the Great Ocean Road, and drive Australia's most iconic stretch of coastline to view the 12 Apostles rock formations. View the world famous 'Penguin Parade' on Phillip Island at sunset each evening and watch thousands of little penguins march up onto the beach to their burrows.

Melbourne, the world's most livable city (five years in a row!), invites you to come and explore a special piece of Australia.

Queensland, Australia

PRODUCT DESCRIPTION

Welcome to Queensland where 300 sunny days a year and a year-round temperate climate are a way of life... it's really no wonder Queenslanders are so happy. Visitors are able to enjoy outdoor sports and alfresco dining anytime of the year and forge lasting memories by participating in activities with friends and family...witness wildlife in their native habitats, attempt skydiving or even follow in the footsteps of early pioneers in the Outback. Step back in time with Aboriginal rock art or attend a local exhibition at a regional gallery. As one of the worlds seven natural wonders, the Great Barrier Reef is top of the 'bucket list'. Under it, on it, in it, above it - there are so many ways to experience this magical wonder and the crystal clear waters surrounding it. Greater Brisbane takes in the four main centers of Brisbane, the Gold Coast, the Sunshine Coast and the Fraser Coast; a fascinating mix of cities, coast and hinterland and the gateway to some of Australia's most diverse and awe-inspiring vacation experiences. Along the heart of Queensland's coastline lies the Whitsundays; 74 islands floating like jewels in the tropical warm waters of the Coral Sea, Whitehaven Beach, iconic Heart Reef and Airlie Beach, the gateway to the Whitsundays, a cosmopolitan and vibrant beach town. Cairns and the Great Barrier Reef is a colorful, upbeat, exotic and free spirited destination and the perfect base from which to explore the World Heritage listed Great Barrier Reef, Daintree Rainforest and the Wet Tropics. Being the only place on earth where two World-Heritage areas meet, adventures are as diverse as trekking through an ancient rainforest one day, to diving on the world's largest coral reef the next.

PRODUCT DESCRIPTION

Seabourn's 2017 -2018 winter/spring cruise program offers 36 unique itineraries with 96 departures of 7 to 152 days in length, visiting exotic locales such as South America & Antarctica, India, Arabia, Australia, New Zealand, and Southeast and Northern and Southeast Asia, along with classic favorites in Alaska, Panama Canal, Canada/New England and the Caribbean. The superb new 600-guest Seabourn Encore, combined with our three beautiful, 458-guest ships comprise the newest, most modern fleet in the luxury segment.

New Florida home port is Miami. For the majority of Seabourn's Florida turns in Fall 2017 and Winter/Spring 2018, the new home port will be the vibrant city of Miami rather than Ft Lauderdale as in previous years. Miami offers guests a more favorable array of dining and excursion opportunities as well as easy transfers to Miami International Airport.

Return to South Africa. In spring 2018, Seabourn Sojourn will again offer cruises on the coast of South Africa. This popular destination enables guests to combine cruises with unforgettable experiences in South Africa's incomparable game parks, wine country and cultural experiences in the Kwa-zulu homeland.

Sojourn Extended Explorations offer long-cruise aficionados opportunities to book voyages of up to 152 days at great combo savings.

New destinations: debuting for Seabourn:

- Odyssey's exotic new 16-day Western Caribbean voyage including South American ports.
- Sojourn's new South Pacific cruise round trip from Los Angeles to French Polynesia and Hawaii
- Quest's new itinerary from the Amazon to Europe

PRODUCT DESCRIPTION

South Australia rewards the curious at heart. The state is known for immersive wildlife experiences in natural surrounds, world-class food and wine, and a majestic and accessible Outback. An intimate city of natural beauty, Adelaide attracts many North American visitors because of its relaxed pace and authentic lifestyle, complemented by treasured museums and galleries and several approachable fine dining districts.

A vacation in Australia is not complete without a trip to Kangaroo Island, otherwise known as Australia's Galapagos. The island is regarded by many to be the best location in Australia to encounter the most diverse array of native Australian wildlife in their natural environment.

South Australia is synonymous with great wine country. The famous Barossa region is only a short distance from Adelaide and is home to more than 80 wineries offering wine tasting hosted by its winemakers. Other sought-after wine regions include the Adelaide Hills, McLaren Vale, Clare Valley and the Coonawarra that are just a quick drive out from the city center.

A picturesque drive up to the Flinders Ranges offers authentic sights and sounds of the ancient Australian Outback, teeming with rare wildlife and full of adventures that trek through gorges and ranges dating back millions of years. Plunge into aquatic adventures in Port Lincoln, a quick flight off the coast, to swim with sea lions, tuna, and cage dive with Great White Sharks. Head inland deep into the Eyre Peninsula to camp out beneath the giant eucalyptus trees and under the nighttime starry sky.

PRODUCT DESCRIPTION

Travel AgentConnect and Totoura were developed by the 3 amigos -- avid travelers and travel industry veterans with over 40+ years' experience, who created a new way to provide travel agents and their clients a service to make their vacations better than ever. We provide transfers and several different excursion/tour options through our Travel AgentConnect website for agents and our user-friendly Totoura mobile app for their clients. Agents earn commissions even when clients book without them... Clients get personalized service from local professionals at their destination, at no charge.

HOW WE DO IT: Using technology, we connect agents, clients and our concierge service representatives together, to share destination information on the best activities from only the most reliable companies who meet our standards and qualifications. Our select destination management partner company has established an award-winning, 17-year track record of excellence, and currently serves over 1 million vacationers a year, in conjunction with some of the best known vacation companies in the world. We offer excursions/tours in Mexico, the Dominican Republic, and coming soon in Jamaica, Hawaii, and 8 more Caribbean Islands!

Top Reasons Agents and their Clients Book Us:

- This is a GREAT value-add for clients with several unique features that will help ensure their vacation is exciting and worry-free.
- Clients can book by themselves through the Totoura vacation concierge, and your Agency still earns commissions.
- AgentConnect cuts out important steps - when agents register and connect clients to the website or app, it automatically generates an email invitation to your client on your behalf.
- Your clients have the flexibility to book themselves before travel and then at their destination.
- Receive free concierge service from dedicated local experts at their destination.
- Our Totoura app provides a full listing of each destination's most popular tours with pictures, full details, reviews, and local weather forecast - everything your client needs to know when choosing their next tour!
